In the Matter of a Request for a Certificate of Authority to Provide Private Line and Special Access Services in the Appleton, Benson, Herman, Montevideo, Morris, Ortonville and Wheaton Exchanges, and Facilities-Based and Resold Local Services in the Appleton Exchange

ISSUE DATE: September 22, 1997

DOCKET NO. P-5545/NA-97-1120

ERRATUM ORDER

On September 19, 1997, the Commission issued its ORDER GRANTING CERTIFICATE OF AUTHORITY WITH CONDITIONS in the above-captioned docket.

Order Paragraph No. 1(a) at page 3 of that Order failed to list all the exchanges for which certification was granted.

That Paragraph should have read:

Certification is granted for the provision of private line and special access service in the Appleton, Montevideo, Ortonville and Morris exchanges served by US WEST Communications, Inc., the Herman and Wheaton exchanges served by GTE Minnesota, and the Benson exchange served by United Telephone Company, as well as for facilities-based and resold local service in the Appleton exchange.

The Commission modifies the September 19, 1997 Order accordingly. The Order remains unchanged in every other respect.

BY ORDER OF THE COMMISSION

Burl W. Haar
Executive Secretary
